Additional Information:

- October 29th, 2016 we will have our fall work party at 8 am. All members are encouraged to attend; however, newer or candidate members are especially welcome. Lunch will be served to all attending. If unable to attend there is always a list of tasks to be

completed and posted on the message board in the shooting house. If further information on what is needed to be done you can contact Dave Hebler at 563-323-1637 for guidance.

- November 5th, 2016 we will be having the annual banquet. This will be held at the club, details and RSVP available at a later date.
- January 8th, 2017 following the match at approx 4pm we will hold our annual membership meeting. There will be food and drinks provided.
- April 29th, 2017 spring work party at 8 am. All members are encouraged to attend; however, newer or candidate members are especially welcome. Lunch will be served to all attending. If unable to attend there is always a list of tasks to be completed and posted on the message board in the shooting house. If further information on what is needed to be done you can contact Dave Hebler at 563-323-1637 for guidance.
- Access to the club grounds and facilities for extracurricular activities (hunting, mushrooming, shooting and special events) are on a first come basis and is a privilege to our members; guests are only allowed on the club grounds in the accompaniment of a member. Members need to call to reserve or at a minimum verify that the facilities are not being used prior to coming out. This is a courtesy to those that have already done this, will avoid any scheduling issues and keep everyone safe! To do this, please contact Dave Hebler; his number is 563-323-1637.
- There are many things needed to be accomplished to maintain the club. The work parties really take care of annual range maintenance. If you are unable to attend by all means try and do something outside of those dates. If you utilize the club be an active participant in taking care of it. We have a wonderful resource and it should be everyone's responsibility to keep and maintain the club for our future membership.
